

THE FUTURE OF MERCHANT SERVICES IS HERE

Merchant's PACT

PAYMENT ACCEPTANCE CONSULTING TEAM
By Wimsett & Company

Revolutionize your merchant services program with our experts and new business model. With our unique approach, your bank will have business clients who save money, remain loyal, and borrow more money from your bank. With Wimsett & Company, your bank's merchant services program will shine against the competition.

BENEFITS FOR YOUR BANK:

- Minimize merchant services program attrition
- Make more loans by retaining more clients and ensuring they are treated fairly
- Gather more core deposits
- Double your client success rates compared to industry averages
- Provide your business clients with experts to help manage their payment card processing
- Provide your business clients access to the lowest payment card processing rates in the country, direct from the core processors
- Deliver tremendous peace of mind to your business clients because we audit the payment company billings each quarter for every client
- Uphold and protect your bank's reputation through our model, as we assure your business clients are treated fairly and consistently

BENEFITS FOR YOUR BUSINESS CLIENTS:

Improved profitability

Our experts negotiate the best pricing and terms for payment card processing.

Peace of mind

Our experts provide POS payment system technology expertise.

Personalized auditing and service

Our experts audit payment company billings to validate fees and detect errors.

Time to focus on their business

Our experts manage their payment card processing relationship so they can focus on their business.

We save our clients on average \$4,000 per year,
per location.
